

A Quick Introduction to The PODFather

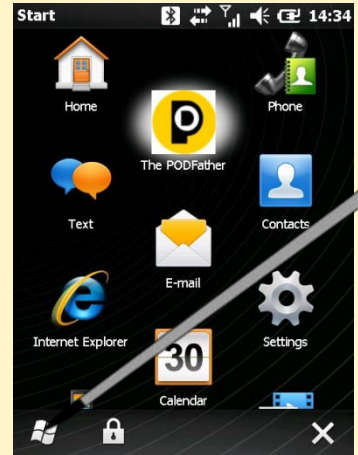

This is the power symbol. If your phone is off, press the button with this symbol on it until the screen turns on, then release the button.

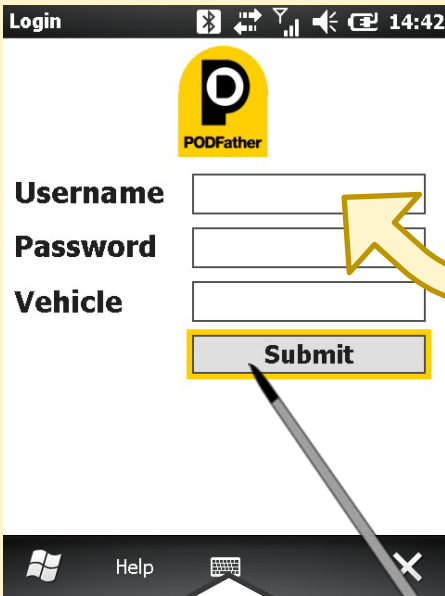

Use the stylus to tap items on the screen

To start using The PODFather Tap on the button and then tap on The PODFather.

Logging In

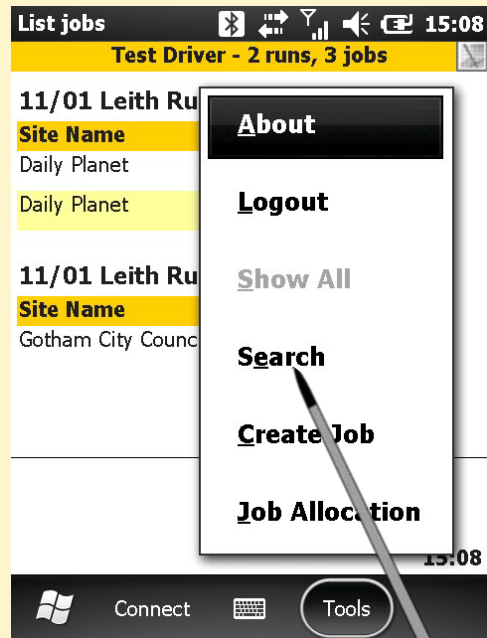

Fill in your provided login details using the phone's built-in keyboard or with the on-screen keyboard.

When you have entered the information, tap the **Submit** button. You will then be logged in to The PODFather.

Search Job List

You will see a list of jobs.

Tap the **Tools** button and select **Search** from the menu to search for a list of sites with the same name.
